## The Best Mediterranean Cruises...

Get a whole new perspective on this historic and beautiful region. The coastlines of Greece, Italy, France, and Spain, for example, boast ancient port cities and are home to a vast array of architectural sites and historic attractions. Instead of palm trees and coral reefs, cruisers can explore Athens' Acropolis and Venice's canals. Mediterranean cruisers may trade a day of snorkeling for a day wandering around the Vatican, or tackling Florence's Uffizi Gallery.

recently returned from a 35-day wonderful adventure to New Zealand and Australia that was seamlessly organized by Joann Austin.

Throughout the process, she was always there to guide us, make reservations, ensure visa compliance and offer great suggestions. Our trip included air arrangements from Pensacola to Auckland, back-to-back cruises on Celebrity Solstice and air arrangements from Sydney to Pensacola along with lodging before and after.

Other than truly efficient handling of all requests, we appreciate the fact that she has traveled extensively including a variety of cruises. We first met Joann and Wally onboard Celebrity Equinox.

We were so impressed with her extensive background knowledge and willingness to help and resolve any issue, we decided to shift our travel

arranging to her instead of using a local travel agent in Pensacola.

We are looking forward to many future adventures arranged by Joann.
