9 Secretly Hidden Luxury Hotels...

It's not always easy to find a peaceful place where you can escape, but at these confidential properties, privacy, seclusion, and tranquility are the name of the game. Don't be surprised if your cell signal drops or if Wi-Fi is patchy at times-that just means you'll have to live in the moment, rather than tweet about it. For hidden luxury, check out these hush-hush hotels from Fodor's that are inviting you in on their little secret.

to you.

We had an absolutely wonderful time. Just what we needed.

The weather was perfect, only sprinkled once for about 20 minutes one afternoon.

The Honua Kai resort was gorgeous, they upgraded us to a 2 bedroom. Didn't need the extra bed, but it was very nice having 2 bathrooms to get ready to go places.

Balcony overlooking the pool & beach. It was great location, could not have asked for a better resort for what we were looking for.

We snorkeled, boat tour, took a helicopter tour, hiked the volcano, went to the feast at lele luau, and did lots of sightseeing. Ate lots of good food everywhere we went.

Only thing I would change is to fly first class, the coach section is extremely cramped for 8 hour plane ride. Think I'll spring for the extra money next time to have more room.

Thank you soooo much for making it a seamless & stress free process.

I sincerely appreciate your help in making the arrangements.

Pam wants to go back with the kids, so I may be hitting you up for another trip in the next year or 2.

LEISURE TRAVEL

The Best All-Inclusive Family Resorts...

According to Travel + Leisure, the all-inclusive concept has gotten a recent makeover-better food, spruced-up décor, more varied activities-and many are perfect for families. Activities are on-site, so there's no need to wake up early and usher the troops out the door only to wait in traffic or long lines. [Click here for list](#)

With Delta Air Lines, You Can Use Your Fingerprint As Your Boarding Pass...

Delta Air Lines is testing a new system that will let some passengers board its planes with just their fingertips. Members of Delta's SkyMiles loyalty program who are enrolled in the private verified-traveler service Clear, will be able to board flights at Reagan Washington National Airport in D.C. by scanning their fingerprint, instead of a traditional boarding pass, at the gate.
