### ARTA Travel Client Letters

"I wanted to let you know that our trip was fantastic. Flights, transfers, hotels, train from London to Paris, and tours all went off without a hitch.

I would definitely recommend the Brighton Hotel in Paris to others - small but great breakfast, good service and perfect location. Our "apartment" was perfect for the 4 of us.

The Landing Beaches tour was probably the highlight. Coach station was a block from the hotel, we left right on time, tour guide was excellent, and lunch was superb.

We had a double decker coach and we all got seats on top with magnificent views! We also took the Oxford, Stratford and Warwick tour by the same company when we were in London and it was great too.

Thank you for all of your work putting this together!

We're planning on doing the Greece Cruise early June of next year so I'll be in touch. Thanks again!"
